Light

Author's Notes:
Written for Lia\'s prompt of a Henkka/Tony fic :)

Light is the color of his eyes reflecting onstage.

Light is the energy that shines from his body when he plays.

Light is the keyboard melodies that comes from his fingertips.

Light is the touches that dance across my body when we're alone.

Light is the kisses that caress my lips and leave me begging for more.

Light is the feel of his body against mine when we join.

Light is the smile crossing his lips when he looks down at me.

Light is the orgasm that blinds our eyes.

Light is the peace he brings me when we sleep.
